I have the disc and I'm reviewing it now. Send me an address and I'll ship it out on Monday.

Todd,

I haven't forgotten about you. I've been a bit overwhelmed with a couple of other Sites, so I've had to get some help with gathering the Wilcox documents. I'll have an update for you this week on when you can expect to receive the disk. Sorry for the delay.

Lance

Will you still be providing a CD with enforcement related documents?

Thanks
